心里有纠缠不清的结，牵动着不同的看法和方向；静下心念，能增长智慧，觉悟和宽容；同心合力为“慈善”尽力；以和睦融洽的心情共同欢聚；堂务的发展就象张开的翅膀，任由飞翔；大家共同合力，互相倚傍，并肩维护这神圣的旨命；利惠群众，就能把本堂的佳绩传播出去。拯救贫困和灾难；救济需要帮助的群众，把仁慈和慈善的风气，永远的发扬光大，千里流传。

The mind contains countless entangled knots leading to each individual having different mindset and outlook. Quiet down the mind and increase your wisdom so as to allow yourself to have a broader view of things. Be united in mind and effort for the sake of charity. Rejoice and work together in a friendly and harmonious manner. Expand the activities of the Temple alike to spreading out the wings. Work hand-in-hand and depend on one another for mutual support. Work together to carry out the Divine's command to bring benefit to the masses and in so doing secure and disseminate an even more esteemed reputation of the Temple.
